"Denial Disbelief Delays"

DENIAL, DISBELIEF & DELAYS

Survivors in Transition and the University of Suffolk are delighted to announce their 3rd **#focusonsurvivors** conference and report launch.

Examining the costs of delayed disclosures of Child Sexual Abuse on the NHS in England and Wales.

Exploring issues, impacts and solutions.

We expect a wide range of stakeholders including service providers from across the UK, commissioners, policy makers and government departments & and there will be an opportunity to interact and engage.

Speakers include NHS, NAPAC, Marie Collins Foundation, CSA Centre, MESARCH Project, VCSE & Public sector specialists and CSA / Trauma research experts.
